

Press release

Save the date: Camurus Capital Markets and R&D Day 11 December 2018

Lund, Sweden – 9 October 2018 — Camurus (NASDAQ STO: CAMX) invites investors, analysts and media to a Capital Markets and R&D Day in Stockholm on 11 December 2018.

The event will provide updates on Camurus' key pipeline programs as well as the launch preparations for Buvidal® (CAM2038) in Europe, Australia and the US.

Time: Tuesday 11 December, 1 pm – 4 pm CET

Venue: IVA Conference Center, Grev Turegatan 16, Stockholm

Registration for investors, analysts and journalists

To participate, please register no later than 6 December at CMD@camurus.com

A detailed program will be posted in mid-November on Camurus website www.camurus.com.

About Camurus

Camurus is a Swedish research-based pharmaceutical company committed to developing and commercialising innovative and differentiated medicines for the treatment of severe and chronic conditions. New drug products with best-in-class potential are conceived based on the company's proprietary FluidCrystal® drug delivery technologies and its extensive R&D expertise. Camurus' clinical pipeline includes products for the treatment of cancer, endocrine diseases, pain and addiction, which are developed in-house and in collaboration with international pharmaceutical companies. The company's shares are listed on Nasdaq Stockholm under the ticker CAMX. For more information, visit www.camurus.com.
