1. The Board of Directors, or whoever the Board of Directors may appoint among its members, is authorized to resolve, on 28 February 2019 at the latest, on the maximum amount by which the share capital shall be increased, the maximum number of new shares to be issued, the number of existing shares that shall entitle to subscription for a certain number of new shares and the subscription price per share.

2. The company's shareholders shall have pre-emptive right to subscribe for the new shares in proportion to the shares previously owned.
3. The record date for entitlement to participate in the rights issue with pre-emptive right shall be 7 March 2019.

In such case, priority will be given firstly to those who have subscribed for shares by the exercise of subscription rights and, in addition, have applied for subscription without subscription rights, irrespective of whether the subscriber was a shareholder on the record date or not and, in case of oversubscription, pro rata in relation to the number of subscription rights each one has exercised for subscription of shares. Secondly, allotment shall be made to others who have applied for subscription without subscription rights (the general public in Sweden and qualified investors) and, in case of oversubscription, pro rata in relation to the number of shares stated in each subscription application. Thirdly, allotment shall be made to the Fourth Swedish National Pension Fund in its capacity as guarantor up to its guarantee amount. Fourthly, allotment shall be made to other guarantors who have entered into guarantee agreements with the company, and in case all such parties do not receive full allotment, the shares shall be allotted pro rata in relation to the respective guarantee amount. To the extent allotment in the case of oversubscription or to guarantors cannot be made pro rata in accordance with the above, allotment shall be made by drawing of lots.
5. Subscription for new shares shall be made during the period as from 11 March 2019 up to and including 25 March 2019, or, as regards the guarantors, up to and including 28 March 2019. The Board of Directors shall be entitled to extend the period for subscription.
6. Subscription for new shares by exercise of subscription rights shall be made by simultaneous cash payment. Subscription for new shares without subscription rights shall be made on a separate subscription list where allotted shares shall be paid in cash no later than two (2) banking days from dispatch of the contract note to the subscriber setting forth the allotment of shares. The Board of Directors shall be entitled to extend the period for payment.
7. The new shares shall entitle to dividend as from the first record date for dividend to occur after the registration of the new share issue with the Swedish Companies Registration Office.
