

PRESS RELEASE

Camurus presenting five-year vision for growth and financial outlook at Capital Markets and R&D Day

Lund, Sweden — 6 September 2022 — Camurus (NASDAQ STO: CAMX) is today hosting a Capital Markets and R&D Day at 1.00 pm CET, IVA Conference Center, Grev Turegatan 16, Stockholm. Presentations from senior management includes an updated five-year vision for growth and sustainable value creation for stakeholders within the core areas of CNS and rare diseases. The revenue ambition for 2027 will be communicated as per below.

“Camurus has had a strong development and financial performance over the past years and is well positioned to continue deliver significant growth and sustainable value creation”, says Fredrik Tiberg, President and CEO of Camurus. “Accordingly, our aspiration is to deliver 5-fold revenue growth over the next five years aiming at approximately 50 percent operating margin, driven by continued market penetration and expansion of our lead product, Buvidal[®], taking late-stage pipeline programs to approval and launch, and globalizing our business.”

The presentations will be made available via link on Camurus’ website www.camurus.com.
