Appropriation of the company's earnings

The meeting resolved in accordance with the Board's proposed appropriation of the company's earnings, entailing that no dividend should be paid and that the available funds of the parent company, KSEK 3,931,206 in total, should be carried forward.

Authorization for the Board to resolve on issue of new shares and convertibles

In accordance with the proposal from the Board, the meeting resolved to authorize the Board to resolve on issue of such number of new shares that corresponds to a maximum of 10 percent of the company's share capital at the time the authorization is exercised for the first time, and as many convertibles that corresponds to a maximum of 10 percent of the company's share capital at the time the authorization is exercised for the first time. The authorization may be exercised on one or several occasions up to the annual general meeting 2027. An issue may be made with or without deviation from the shareholders' preferential right and against cash payment, by set-off or by contribution in kind.

Authorization for the Board to resolve on acquisition and transfer of the company's own shares

The meeting resolved, in accordance with the Board's proposal, to authorize the Board to resolve on acquisition and transfer of the company's own shares. Acquisition may take place on Nasdaq Stockholm, on one or several occasions up to the next annual general meeting, of not more than two (2) percent of the total number of shares in the company, excluding the company's holding of own shares for the purpose of securing the company's commitments under the Performance Share Plans 2024/2027, 2025/2028 and 2026/2029, and shall be carried out in compliance with the price restrictions set out in the Nasdaq Stockholm Rulebook for Issuers on the Main Market. During the same period, transfer may take place of not more than the number of shares that the company holds at the time of transfer.

Resolution on implementation of Performance Share Plan 2026/2029

The AGM resolved, in accordance with the Board's proposal, on implementation of a Performance Share Plan as well as delivery arrangements in respect thereof by way of resolution on a directed issue of a maximum of 570,000 redeemable and convertible series C shares, authorization for the

Board of Directors to resolve on the repurchase of all issued series C shares and resolution on transfer of a maximum of 456,000 own common shares to the participants of the program.

The Performance Share Plan comprises all employees in the Camurus group, approximately 308 persons. The Performance Share Plan entails an opportunity, after a three-year vesting period, to receive performance shares free of charge, subject to satisfaction of certain performance conditions. The conditions are related to (a) absolute cumulative TSR increase between the AGM 2026 and AGM 2029, (b) Camurus' revenue growth, where the revenue (as reported) for the financial year 2025 is compared to the revenue (as reported) for the financial year 2028, and (c) pipeline progress during the financial years 2026-2028.

The maximum dilution effect of the program is approximately 0.9 percent of the shares and votes in the company.
