# Camurus announces the terms of its rights issue

**Lund, Sweden — 28 February 2019 —** Camurus AB (publ) (“Camurus” or the “Company”) (Nasdaq Stockholm, CAMX) announced on 6 February 2019 that the Board of Directors of the Company had resolved on a rights issue (the “Rights Issue”) of SEK 403 million, subject to the approval by an extraordinary general meeting (“EGM”) to be held on 5 March 2019. The Board of Directors of Camurus today announces the final terms of the Rights Issue.

### The Rights Issue in brief

- Rights Issue of SEK 403 million.
- Shareholders in Camurus have pre-emptive right to subscribe for one (1) new share per every four (4) existing shares, i.e. a subscription ratio of 1:4.
- The subscription price is SEK 42 per new share, which amounts to proceeds of SEK 403 million before the deduction of transaction costs, provided that the Rights Issue is fully subscribed.
- The record date for the Rights Issue is 7 March 2019 and the subscription period runs from and including 11 March until and including 25 March 2019.
- The Rights Issue is fully underwritten, subject to customary conditions, including commitments from the Company’s largest shareholder Sandberg Development AB (“Sandberg Development”) to subscribe for SEK 75 million and the Company’s CEO Fredrik Tiberger to subscribe for SEK 5 million, as well as subscription and underwriting commitments from certain other shareholders and non-shareholders, including Gladiator and the Fourth Swedish National Pension Fund.
- Sandberg Development and certain other shareholders, in total holding 69 percent of the shares and votes in the Company, have committed to vote in favor of the Rights Issue at the EGM, which will be held on 5 March 2019.

### Terms of the Rights Issue

Shareholders who on the record day, 7 March 2019, are registered shareholders in Camurus have pre-emptive right to subscribe for new shares in proportion to the number of shares held on the record day. For every existing share one (1) subscription right is received. Four (4) subscription rights will entitle the subscription of one (1) new share. Shares can also be subscribed for without the use of subscription rights.

In the event that not all shares are subscribed for by the exercise of subscription rights, the Board of Directors shall resolve on allotment of shares subscribed for without the exercise of subscription rights up to the maximum amount of the Rights Issue. These shares shall be allocated; (i) firstly to those who have subscribed for shares by the exercise of subscription rights, regardless of whether or not they were shareholders on the record day, pro rata in relation to the number of new shares subscribed for by the exercise of subscription rights; (ii) secondly, to others who have subscribed for shares without the exercise of subscription rights (the general public in Sweden and qualified investors), pro rata in relation to the number of shares stated in each subscription application; (iii) thirdly, to The Fourth Swedish National Pension Fund; and (iv) fourthly, to the other guarantors who have entered into guarantee agreements with the Company, pro rata in relation to the respective guarantee amount. Insofar as allocation cannot be made pro rata, allocation will be made by the drawing of lots.

The subscription price is SEK 42 per new share. Provided that the Rights Issue is fully subscribed, Camurus will receive SEK 403 million before the deduction of transaction costs.

The Rights Issue will increase Camurus' share capital with a maximum of SEK 239,884 to SEK 1,199,421, through the issuance of a maximum of 9,595,372 shares. The number of shares in Camurus' after the Rights Issue will amount to a maximum of 47,976,858 shares.

Subscription for shares may take place during the subscription period from and including 11 March 2019 until and including 25 March 2019, or such later date as decided by the Board of Directors, which then will be announced in a press release no later than 25 March 2019. Trading in subscription rights may take place during the period from and including 11 March 2019 until and including 21 March 2019.

Shareholders who choose not to participate in the Rights Issue will have their shareholding diluted by approximately 20 percent, but are able to compensate financially for this dilution by selling their subscription rights.

The Rights Issue is subject to approval by the EGM which will be held on 5 March 2019 at 11.00 at Elite Hotel Ideon, Scheelevägen 27 in Lund. The notice for the EGM was published 6 February 2019 and is available at Camurus' website.
